

**Court of Appeals, State of Michigan**

**ORDER**

**Roxanne Wood v Bell-Wasik Inc**

Docket No. **357106**

LC No. **20-000022-SC**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because the October 23, 2020 judgment, which was entered by a district court, is not an order that is directly appealable to this Court. See MCR 7.203(A)-(B). Further, if the claim of appeal were viewed as taken from the December 29, 2020 circuit court order dismissing appellant's appeal to the circuit court, that circuit court order entered on appeal from the district court is not appealable of right. MCR 7.203(A)(1)(a). Notably, appellant's delayed application for leave to appeal the December 29, 2020 circuit court order in Court of Appeals Docket Number 357088 remains pending in this Court.

The motion to waive fees is **GRANTED** for this appeal only.

The Clerk's Office shall send copies of this order to both the 71B District Court and the Tuscola Circuit Court.
